

HISENTIAL®

Welcome to Hisential

We are honored and delighted that you've chosen to embark on this transformative journey with us toward becoming the ultimate version of yourself. A vibrant and enduring life begins with the early detection of potential health concerns, long before they impact your well-being. Rest assured, we've thoughtfully designed our health screening packages to meet your unique needs.

How to prepare for your Hisential experience:

Book Your Appointment

We invite you to connect with us directly via WhatsApp at +65 8963 5233 or via the Hisential app. It's the easiest way to ensure a smooth booking experience. Our team is ready to assist you promptly. Simply reach out, and we'll handle the rest with care and efficiency.

Pre-register Online or on the Hisential App

(for First Time Visitors)

For a seamless visit, we highly recommend pre-registering on our app. For first time visitors, a link to pre-register will be sent once booking has been confirmed in our system. Please ensure that your personal details are up to date before the medical appointment.

No Fasting Required

At Hisential, we provide the latest advancement in testing. The blood tests in our packages do not require you to fast. However, fasting may be required for certain ultrasound tests. Kindly speak to our staff to find out more.

Medication

You are not required to stop any medications before the health screening. When in doubt, please speak to our doctor.

Documents

Share your past medical documents and health records so we can better interpret your health screening results.

The Monet

\$290 After GST

Lab Tests

- **Cholesterol Panel**
Total Cholesterol, HDL & LDL Cholesterol, HDL/LDL Ratio, Triglycerides, Lipoprotein (a)
- **Diabetic Panel**
HbA1C, Random Blood Sugar
- **Full Blood Panel**
Hb, WCC, RCC, Hct, DC, MCV, Platelets,
- **Kidney Function Panel**
Urea, Creatinine, Electrolytes (sodium, potassium, chloride), Urine FEME (Full and Microscopic Examination), eGFR
- **Liver Panel**
ALP, ALT, AST, GGT, Albumin, Globulin, A/G Ratio, Total Bilirubin, Total Protein
- **Venereal Disease Panel**
Syphilis TP Antibody, VDRL (RPR) & TPHA
- **Bone & Joint Panel**
Calcium, Phosphate, Uric Acid
- **Cardiac Risk Panel**
Lipoprotein (a)

Included

- Medical Consultation
History & Physical Examination
- Medical Report
- Biophysical Profile
Blood Pressure, BMI (Height & Weight) Body Fat Measurement
- Visual Acuity
- Resting Electrocardiogram (ECG)
- Cardiac Risk Assessment
- Lung Function Test
